Choir is a lot of fun and you don't have to be a professional singer or even be able to read music to join us! We are all just people who love the Lord, like to sing, and have a good time together. Homewood wants to encourage people to Biblical stewardship. If Jesus is Lord of our lives, we need to understand He owns it all, and we should handle what He has given us with eternity in mind. Quote from Bible.org: Biblical stewardship touches every area of our lives. It requires a basic commitment to present ourselves completely to God as his servants, with no strings attached. The real issue of stewardship is whether we are administering our affairs and possessions as if they are ours or as if they are God's. Our lives are shaped by the decisions we make, and there is no greater choice offered to us than surrender to the one who created us and knows us better than we know ourselves. The ultimate question, then, is this: Am I the lord of my life, or is Christ the Lord of my life? We will either labor under the illusion that we can control our own lives, or we will submit to the reign and rule of God. This is the difference between the great *I will* and the great *Thy will*. Our answer to this question will determine how we manage the time, abilities, money, truth and relationships God has placed under our care. A wise steward will treat things according to their true value, treasure the things God declares to be important, and hold with a loose grip the things that God says will not matter in the end.
